THE CONSTIPATION EVIL

Is Responsible For Most Cases of Piles

Constipation paralyzes the blood vessels of the lower bowel and often causes piles. Women and all other indoor workers are the most frequent sufferers. But curing constipation alone won't cure piles. A special medicine is needed—internal treatment to strengthen the flabby veins and start pure blood circulating.

Dr. Leonhardt's Hem-Roid is the only internal pile cure. Sold under guarantee. \$1 at J. James Wood & Son's, Maysville, Ky., or Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

Silk Stockings for a Dollar

These are not ordinary Dollar Silk Stockings. Not the kind other merchants sell for a dollar. They differ in two important essentials. First in weight. The ordinary silk stockings sold for a dollar weigh 1½ ounces. The unusual values we sell weigh 1¾ ounces. It will surely not require any argument to convince you that one-fourth of an ounce is a great difference in the weight of one pair of silk stockings. It proves conclusively more silk and greater body. The other point of difference between the silk stockings we sell for a dollar and the kind sold by others is this: The ordinary dollar silk stocking is not re-inforced at heels, toes and soles. But the kind we sell have **double** heels, toes and soles—and you know what that means in additional service. Make the comparison yourself—our statements are easily proved. These unusual values won't last long and can't be duplicated when this lot is gone. The calendar is racing toward Christmas. Settle the gift problem now with some of this exquisite hosiery. For card prizes, for gifts to one's self, for the prospective bride, for the debutant, nothing could be more welcome than these extra value dollar silk stockings. Every pair is actually worth a quarter of a dollar more. Black, white, pink, blue, tan.

BADLY NEEDED

Paid Fire Department For Maysville—Good Investment—Let's Have It

In comparison with other cities of the same class Maysville is a back number with its present system of crude fire fighting.

Independent fire companies are obsolete and decidedly out of date, notwithstanding they do efficient work when once on the grounds; but there is the rub. They generally arrive when the fire has done its worst, and the best they can do is to confine and prevent the spreading of the fire.

In the case of the burning of the Magnolia Flour Mills yesterday morning, it is stated that forty minutes elapsed between the discovery of the fire and the arrival of the fire companies. In the meantime the blaze had eaten up thousands of dollars that might have been saved by prompt action.

Catlettsburg, Ashland and other cities of less importance than Maysville have paid fire departments. Then why not here?

The necessary expense of a paid department would not be much in excess than what is now paid the various companies, and the service would certainly be more satisfactory and redound to the financial interests of all concerned.

It may not be generally known, but it is a

fact, under a fire department the fire insurance would be greatly reduced; besides, the efficiency and service of the department would be of a higher order.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. WHEN you take a squint at politics in Louisville and Lexington you are ready to say that things in Maysville are running peacefully and satisfactorily. It is a happy situation for Maysville people that they are not afflicted with such a felonious gang of Democratic grafters as exists in Louisville and Lexington. The Penitentiary yawns for these vote stealers and corruptionists, yet The Courier-Journal and The Times in Louisville and The Herald and The Gazette in Lexington are knowingly upholding, abetting and encouraging crimes for which a Nigger would be hung or sentenced to Jail for a thousand years. Did you ever stop to think what unspeakable crimes have been committed by the Democratic managers in old Kentucky under the guise of party expediency?

GETS BIG DAMAGES

Suit Which Has Local Interest Decided at Louisville

Mrs. Elizabeth Martin of Louisville was Tuesday awarded a verdict of \$5,000 against the Louisville Railway Company.

The case, which was dismissed without prejudice as to the Maysville-Flemingsburg Motor Traction Company, had been filed jointly against these two defendants and asked \$20,000.

It dated from June 15th, 1906, when a streetcar struck a large touring car of the second named defendant at Cherokee road and Rubel avenue in Louisville.

The motor car was crushed and the plaintiff badly hurt. She was riding in the big automobile when the collision came.

Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:

"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J.

"I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOTE OF WARNING

Sounded by Rev. T. S. Buckingham of the Kentucky Anti-Saloon League

A warning to the temperance voters of Kentucky:

The liquor people have had a high-priced man in the constituencies for the last fifteen months to secure the nomination of men favorable to their traffic. Some of the resultant nominations have been so outrageous that the decent people are up in arms. We suggest that in all Senatorial and Legislative Districts the temperance forces narrowly scan the character of the nominees on both tickets. The election of the Legislature rests with the people and not with a clique of brewers and distillers.

The latest move that has come to our knowledge is to secure as Speaker of the Lower House a man who will let the liquor people dictate the make-up of the Committee on Public Morals. They think to defeat the will of the electorate by this means.

Whatever may be the outcome of the election, the issue for November 24 is: Shall the majority, the 350,000 Christian temperance voters, rule, or shall the whisky ring? This is to warn the people of the State of the mischief afoot. Publicity is the best policeman.

Free If It Fails
Your Money Back if You Are Not Satisfied with the Medicine We Recommend

I am so positive that my remedy will permanently relieve constipation, no matter how chronic it may be, that I offer to furnish the medicine at my expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

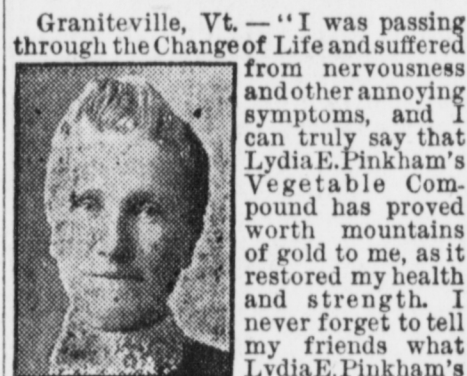

The discovery of the active principle of our remedy involved the labor of the world's greatest research chemists. As an active agent it possesses the valuable qualities of the best known intestinal tonics, as well as being particularly pleasant and prompt in its results.

I want you to try Rexall Orderlies on my recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. They come in two sizes of packages, 12 tablets, 10 cents; 36 tablets, 25 cents. Sold in Maysville only at my store—The Rexall Store. Thos. J. Chenoweth.

In the suit of McCabe's Administratrix vs. the Maysville and Big Sandy Railroad Company, taken up from this county, the appellant's motion to advance was sustained in the Court of Appeals and motion for oral argument overruled.

WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt. — "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter." — MRS. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, headache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

Miss Frankie Borton of Lewisburg is visiting her sister, Mrs. W. C. Borton of East Second street, who has been very ill.

ONLY \$7,000,000 WANTED
By the Blind Democratic Graftor, Senator Owen of Oklahoma

A tidy fee of about \$7,000,000 will be asked from the Mississippi Choctaw Indians by Senator Robert T. Owen of Oklahoma when he appears before the United States Court of Claims at Washington today. Still fresh in the minds of Washington attorneys is the record-breaking fee of \$750,000 which he and his associates received for the settlement of the Eastern Cherokee Indian claims, but in this case the Senator is asking for an interest in the Choctaw Indians' property, which is valued at about 10 times that amount.

In 1900 the Government decided to move the Mississippi Choctaws over into the Indian Territory. The tribe was not thriving in the Mississippi lowlands and Congress appropriated \$25,000 to remove the Indians to the new reservation.

It is remembered that Owen is a meek-eyed blind man with a holier-than-thou expression. But as he is of the Haskell school of Democratic grafters, nothing but dishonesty can be expected of him.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mannell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. 5c. bottles Guaranteed.
